

Trading & Investment Disclaimer Certificate

This document serves as an official disclaimer for the use of ForexTradeCore and its associated financial products.

RISK WARNING:

Trading Contracts for Difference (CFDs), cryptocurrencies, forex, and other financial instruments involves significant risk. Due to the volatile nature of the markets, there is a possibility of losing your invested capital. Leveraged trading can work both to your advantage and disadvantage.

You should not invest money that you cannot afford to lose. Before engaging in any trading or investment activity, please ensure you fully understand the risks involved, seek independent financial advice if necessary, and consider your investment objectives and experience level.

ForexTradeCore offers copy trading, AI-powered bots, and premium signals as tools for users, but we do not guarantee any profits or returns. Past performance is not indicative of future results.

LEGAL NOTICE:

ForexTradeCore is not a registered financial advisor or broker-dealer. All content provided on our website and associated platforms is for educational and informational purposes only.

KYC & AML:

All users are required to complete identity verification in line with KYC/AML policies to ensure secure and compliant transactions. We reserve the right to refuse service to any individual or entity that does not meet these compliance standards.
